

G.R.A.P.E.S. OF ME

G Geography	Where were you born? Where have you lived? How does your location affect the way you live your life?	
R Religion	What do you believe in? Is it a religion? Is it a set of beliefs? How do your beliefs influence your life?	
A Achievements	What are you proud of? How do you make a difference in the lives of people around you?	
P Politics	Who makes the decisions that most effect your life? What are some laws(rules) in your family? Why are these rules necessary?	
E Economics	What resources does your family have? How are they shared? How do you get money?	
S Social Structure	What is the structure of your family? Who is the most respected member of your family? What are the roles (jobs) in your family?	

1. Which of the six parts of "G.R.A.P.E.S." is most important in your life? Pick ONE and explain why you chose it.

2. Are you happy with your answer to #1? Do you think it should be different? If you answered yes, why are you happy with it? If you answered no, why are you unhappy with it?

3. If your parent or guardian answered #1 and #2, how do you think their answers might be different from yours?

4. Do you think people from other parts of the world might answer #1 and #2 differently than you did? Why or why not?
